About LARC: LARC is a training center for success for individuals with intellectual and developmental disabilities. LARC serves over 300 individuals annually and our participants range in age from 14 to 83. Your support helps people with disabilities to keep moving forward while maximizing their independence and employment success.

There are several ways to participate, either as a sponsor, participant, or by donating items for our auction/drawing. Help us to raise funds to empower and support people with disabilities and their families to achieve their full potential.
