About LARC: LARC is a training center for success for individuals with intellectual and developmental disabilities. LARC serves over 300 individuals annually and our participants range in age from 23 to 75. Proceeds from Aiming for Ability will support LARC’s newest program – LAB: Learn, Achieve, Become. LAB will offer an experiential learning environment that transforms traditional program areas into spaces for innovation, vocation, demonstration and learning. Five Labs will focus on skills that maximize independence and employment success.

There are several ways to participate, either as a sponsor, participant, or by donating items for our auction/drawing. Help us to raise funds to empower and support people with disabilities and their families to achieve their full potential.

*Special Thanks to*
